## Becker's Hospital Review Names The Heart Hospital Baylor Plano as One of 150 Great Places to Work in Healthcare

CHICAGO — The Heart Hospital Baylor Plano has been recognized by *Becker's Hospital Review* in the 2015 edition of its 150 great places to work in healthcare in the United States.

For the second year in a row, the list features both healthcare providers as well as other types of healthcare-specific companies, such as consulting firms, health IT vendors, medical societies and more. A version of this list has been published every year since 2011.

The organizations featured on the list were selected by the *Becker's Hospital Review* editorial team based on workforce-centric awards received, benefits offerings, wellness initiatives, and efforts to improve professional development, diversity and inclusion, work-life balance and a sense of community and unity among employees. Nominations were also considered.
